COLORING AND ACTIVITY BOOK

AIR BUSTER

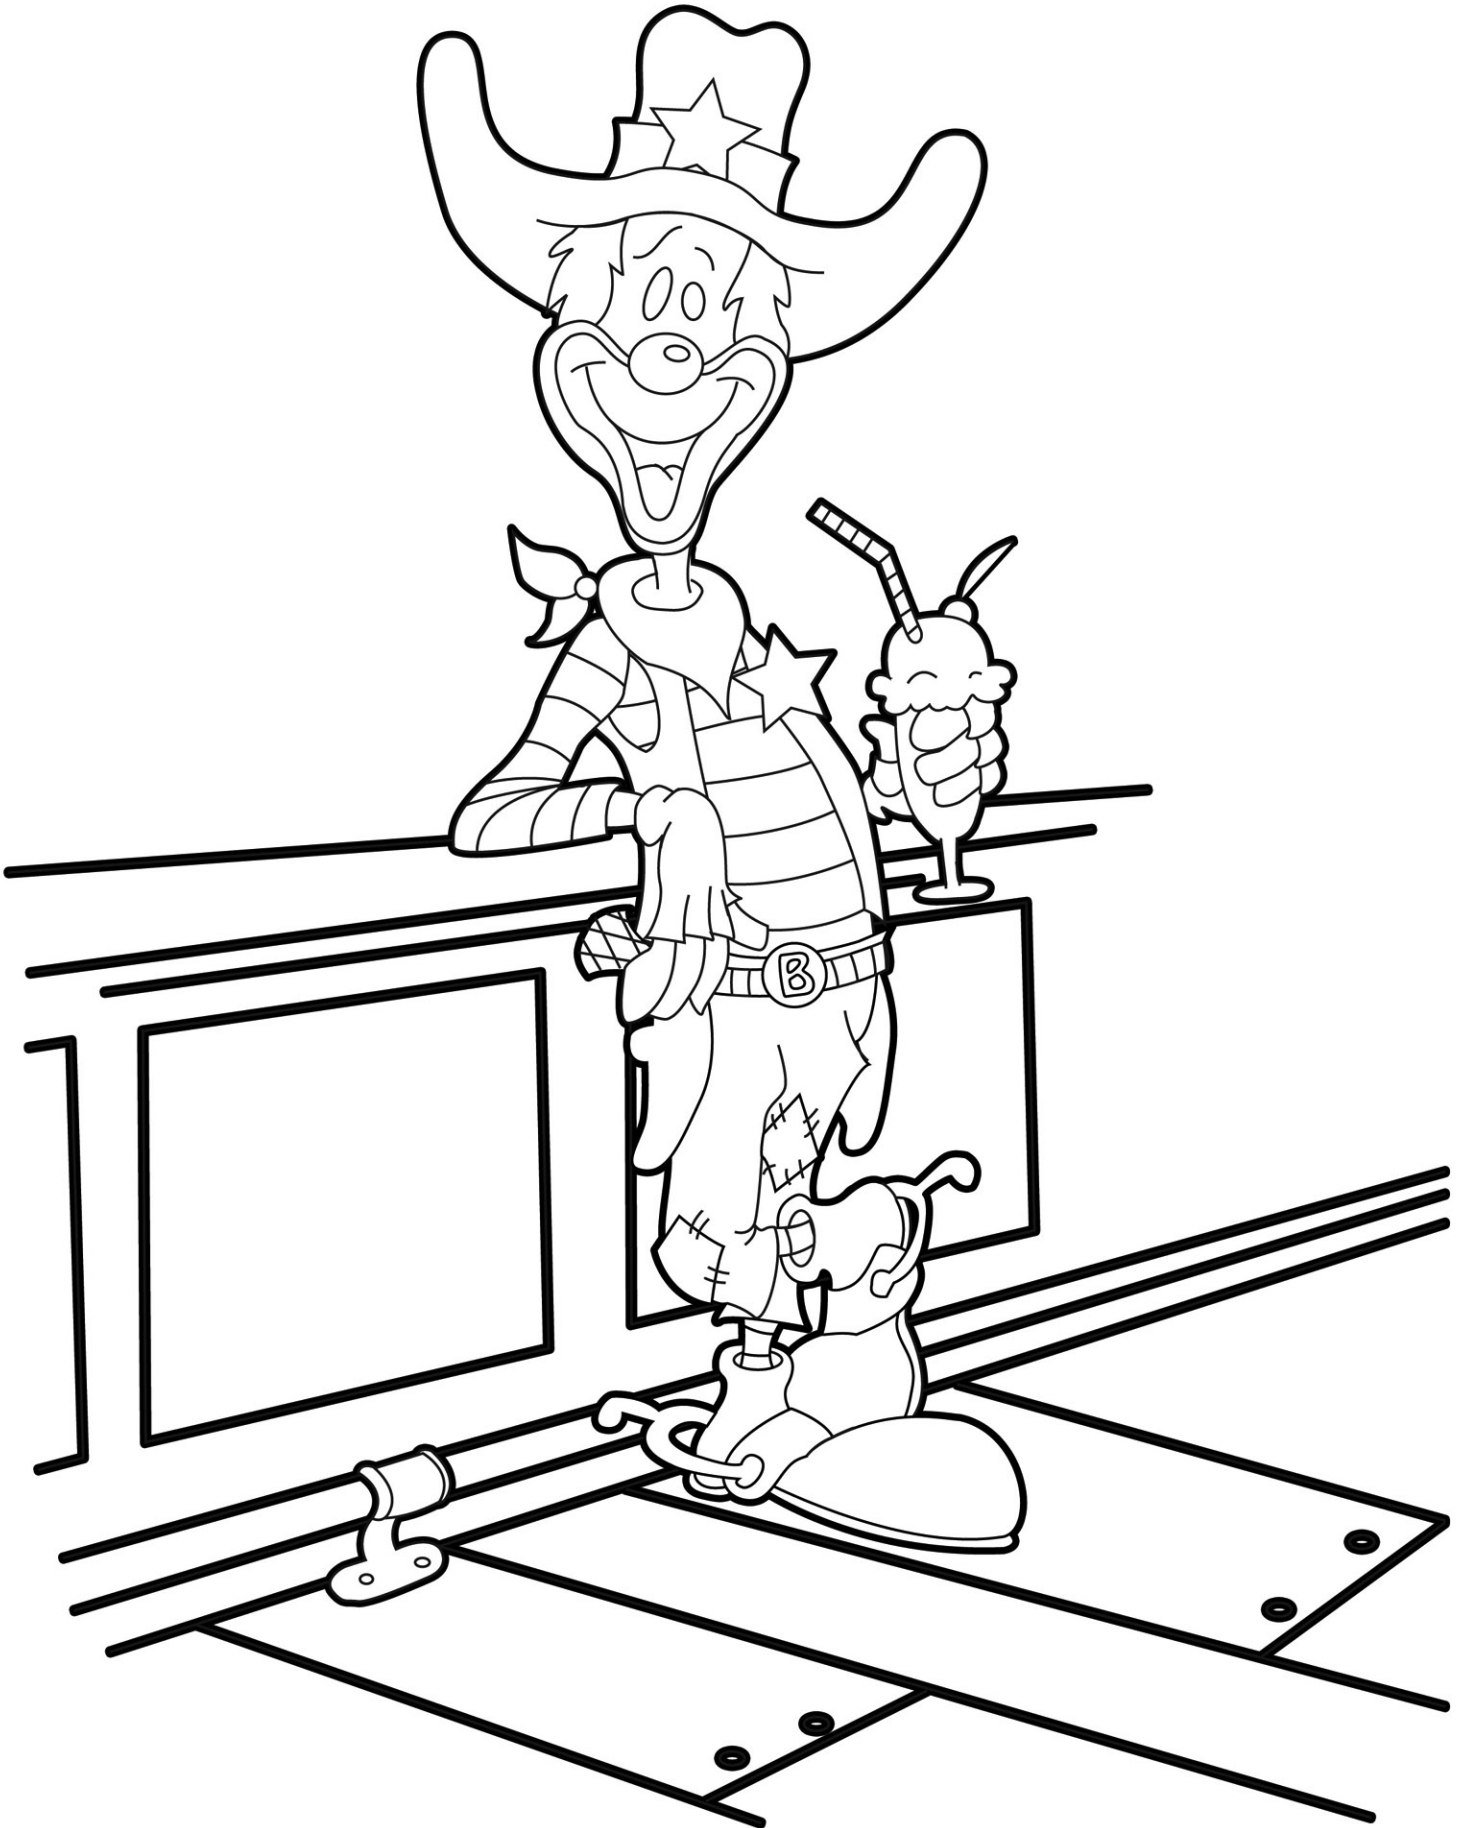

Keep your eye on the ball!

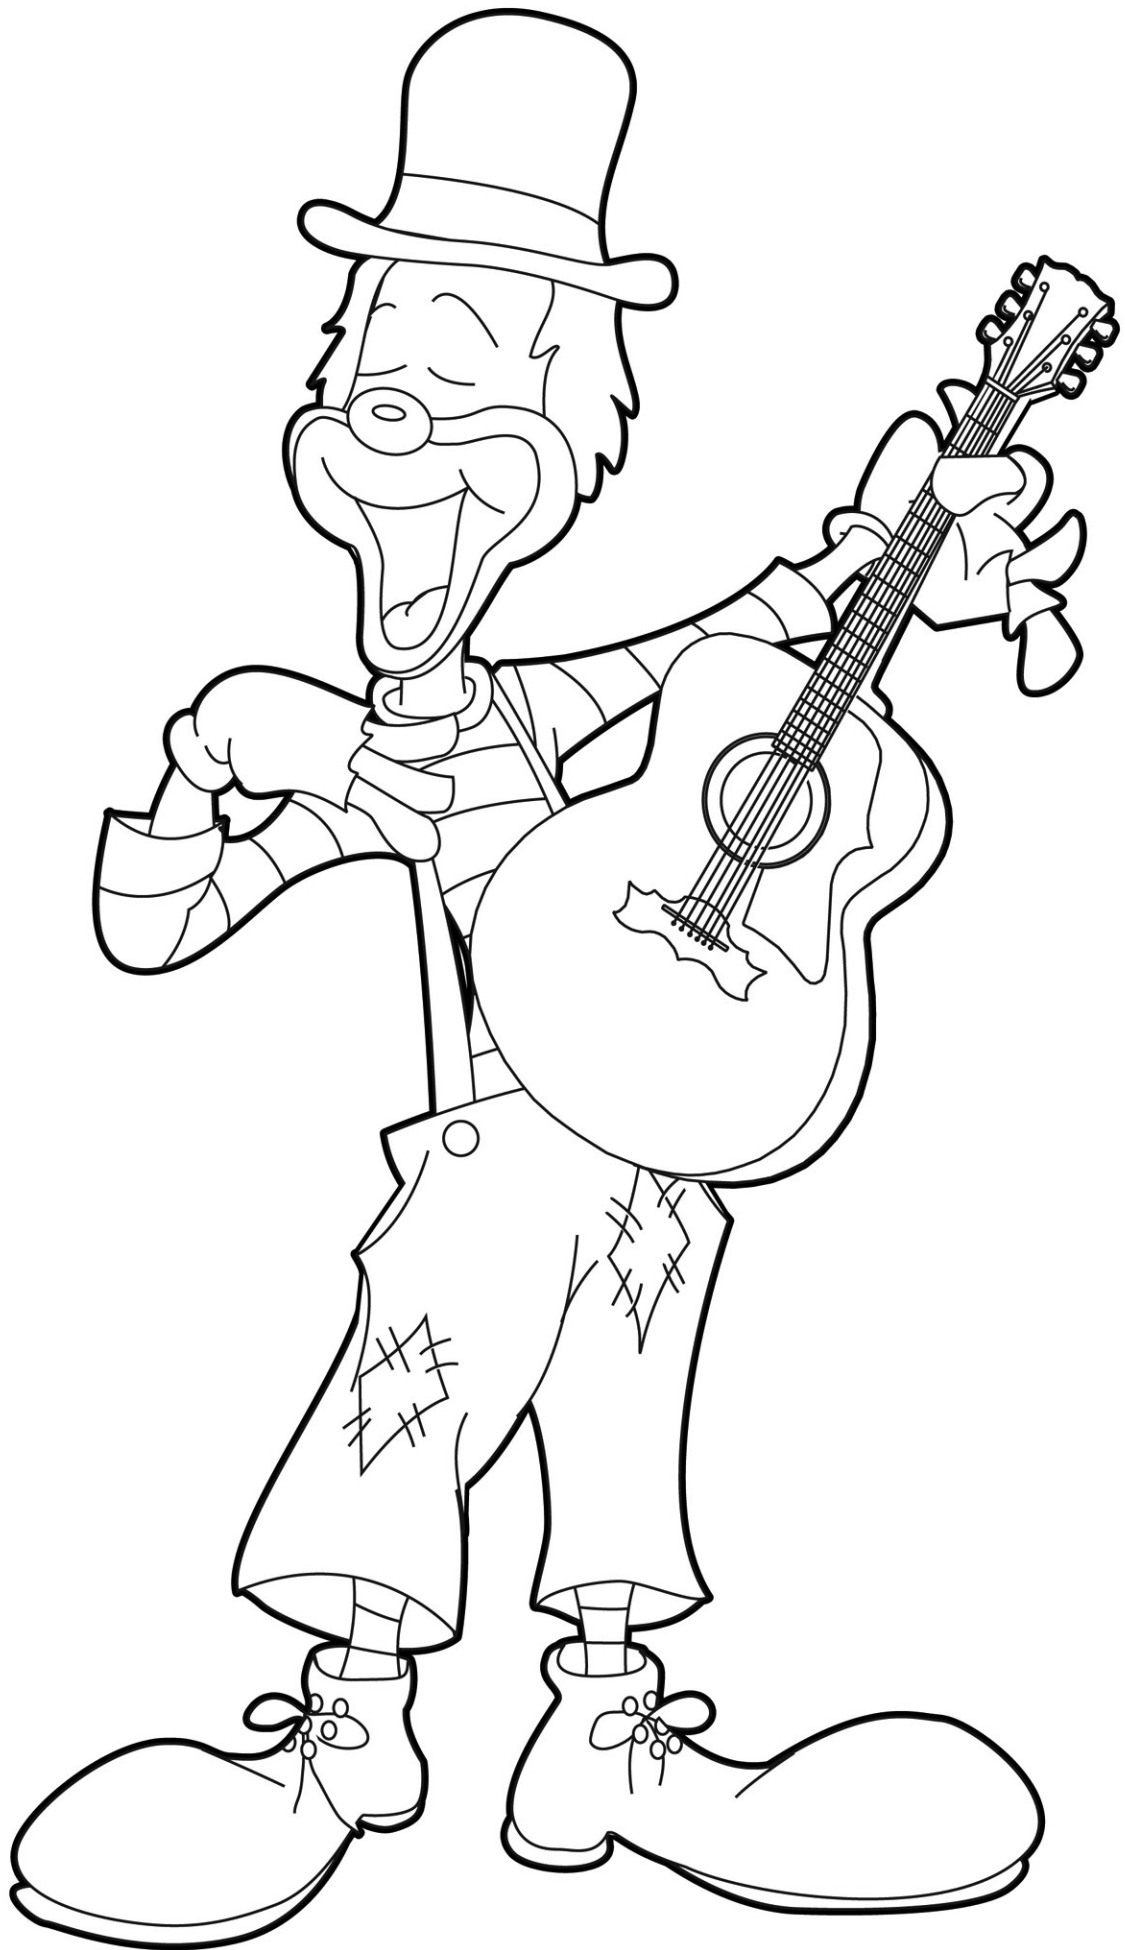

You must gather 12 points before you reach the basket!
You cannot use the same path twice!

Start Here

The maze consists of a complex network of black lines forming a grid with various openings and dead ends. The maze is divided into several paths, each marked with a number: '1' or '2'. There are 12 '1's and 12 '2's scattered throughout the maze. At the top center of the maze, there is a small rectangular box labeled 'Start Here'. At the bottom center, there is a larger rectangular box labeled 'Basket! You win!'. The goal is to find a path from 'Start Here' to 'Basket! You win!' that passes through exactly 12 numbered paths (6 '1's and 6 '2's) and does not repeat any path.
